

International scientific conference dedicated to the
95th anniversary of the Botanical Garden of Southern
Federal University

BIOLOGICAL DIVERSITY AND BIORESOURCES OF
THE STEPPE ZONE IN A CHANGING CLIMATE

Rostov-on-Don, May 24-29, 2022

Second information letter

Dear Colleagues!

Botanical Garden of the Southern Federal University invites you to take part in the international scientific conference "Biological Diversity and Biological Resources of the Steppe Zone in a Changing Climate".

The conference will be held on May 24-29, 2022 in the Botanical Garden of the Southern Federal University at the address: Rostov-on-Don, Botanicheskyy spusk st, 7. The conference program includes the excursions to the Botanical Garden of the Southern Federal University, Rostov-on-Don, and to the State Natural Biosphere Reserve "Rostovsky" (310 km from Rostov-on-Don)

Main areas (sections)

1. Biological diversity of terrestrial and aquatic ecosystems of the steppe zone: problems of study and conservation.
2. The role of botanical gardens and other specially protected natural areas in the conservation of biological diversity.
3. Soil resources of the steppe zone in a changing climate and increasing anthropogenic loads.
4. Technologies for remote sensing of the Earth for global monitoring of biodiversity and biological resources of the steppe zone.
5. Biotechnology, genetics and plant breeding.
6. Assessment of the ecological state of the environment under anthropogenic impacts.
7. Environmental education and awareness, prospects for the development of environmental tourism.

Registration of participants will be held on May 24 from 8⁰⁰ at the address:

Rostov-on-Don, Botanichesky spusk st, 7.

The opening of the conference is on May 24, 2022 at 9³⁰

Terms of participation

The registration fee is 1500 rubles (for students and postgraduates – 700 rubles) is paid upon registration to partially cover organizational expenses (ordering a participant's kit and program, coffee breaks, etc.). Participation in the conference of employees and students of the Southern Federal University is free of charge.

By the beginning of the conference, a collection of materials will be published with subsequent placement in the Scientific Electronic Library (<http://elibrary.ru/>) and the RSCI database. Publication of materials in the collection is **free**.

Terms of living
